

DRI

**Automated
Packaging
Equipment**

Direct Recruiters has been recognized as the relationship-focused search firm that assists Automated Packaging Equipment organizations with recruiting, acquiring and retaining high-impact talent for mission-critical positions. We have been a trusted partner for some of the most progressive companies in the industry.

Our success can be attributed to the trust and relationships we have built with clients and candidates alike. Discretion, confidentiality, honesty and integrity are the guiding principles of our business and our promise to those we serve.

The DRI team is comprised of Automated Packaging Equipment experts including Researchers, Senior Recruiters, and Practice Leaders who devote 100% of their efforts in this industry. They have a thorough understanding of the current job market and what it takes to fill open positions.

On a daily basis, we are in contact with Packaging Equipment executive management and hiring authorities looking to hire key industry professionals in the areas below:

- C-Suite
- Executive Level
- Vice President

Here's what one client had to say Jason Herbert and team:

"I've had the pleasure of working with Jason during my own career transition in 2013 and have worked with Direct Recruiters for many years. Jason is always dedicated to finding the best sales candidates whenever we are doing a search. His advice is always extremely valuable, intelligent and thorough plus I can always count on him to follow up when he said he would. I have recommended him to others for recruiting & job search assistance and I will continue to do so with confidence. Thank you – Jason!!"

Rich Gardner, VP of Sales
Pearson Packaging
