Here's what one client had to say about Robert Cohn and team:

"Trying to hire for our company is a challenging thing; Robert and his team have consistently given us good candidates and helped in finding people who are not necessarily finding us. I was happy that not only were they engaged and consistently sending over resumes, but also gave me extra background on the candidate to supplement the resume. Robert and his team also helped in arranging meetings and calls which is helpful being on the road and traveling so often. Overall, I have been happy with DRI, Robert, and his team."
Eric Langhorst, Western Zone Manager
WAGO

"Robert and team met all expectations whenever we worked together… primarily because he was so thorough up front. I was most pleased that Robert took the time to get to know Balluff and our team… even came down to Florence a couple of times. Robert and I have a good, open communication that made it easy to work together. Robert is direct, thorough and always in constant communication with me regarding any positions that he is working on with Balluff. He quickly developed good working relationships with all of our hiring managers. I always knew where Robert and his team stood on any searches. I felt that I could always trust Robert and his team to deliver based on the expectations. I would definitely recommend Robert & DRI."
