### Dear Supporter,

It's that time of year when you can feel the crispness of fall in the air! Beautiful colors start to fill the trees and cozy sweaters replace flip-flops for favorite wardrobe go-tos.

In this edition, we want to shine a light on 40 exceptional years of service, explain how we are making our email more secure, let you know about a study looking into waiting lists for services across Ohio, highlight an entrepreneur who aims to inspire, and show a great new video from Summit DD's Children's Services that helps families understand what to expect from their Early Intervention services.

Please share these stories and videos with your friends and family!
