[New Changes Provide Seamless Support](#)

Summit DD's new functional relationships model has been created to help deliver seamless support to individuals and families. Learn more about some great changes coming in 2015.

[Summit DD Weather Alerts and Closings](#)

It's almost that time of year again! The season of snow plows, cold fronts and wind chills. But don't worry, Summit DD will be looking out for your safety and closely watching the weather.

[New Project Inclusion Activities Available](#)

There are some fun new opportunities available right now through Project Inclusion. These community-based activities are perfect for the winter months.
