

In Case You Missed It: System Evolution Community Meetings

Over 100 Summit County residents have attended our community information meetings about the changes coming to the DD system. In case you missed it, check out the following video coverage of the event:

Summit DD Enhances Free Choice of Provider Process

Our SSA team has improved our Free Choice of Provider process to better assist adults with disabilities in finding and choosing providers that best meet their needs. Find out more about how we've made this process even better for you.

A Place to Call Home

Through personal drive, Summit DD person-centered planning and provider collaboration, three young women with developmental disabilities recently moved into their dream home. Check out their empowering story and see photos from their very first house warming party!

A Decade of Partnership

Since 2002, Summit DD's Employee Development Services has received grants from the Giant Eagle Foundation that allows for those seeking employment to work in the community and develop valuable skills. Learn about a young lady's recent success as part of this great partnership.
