

SummerREADS @ Francis Scott Key Workshop Schedule

Daily Program Hours: 8:30 am-3:00 pm

Breakfast 8:30-9:00 ● Playworks Recess 11:00-11:50 ● Lunch 12:00-12:30
Reading Time Every Day!

Week One: July 1-5 (CLOSED Thursday, July 4)

YOUNG AUDIENCES ARTIST IN RESIDENCE

Footworks Percussive Dance Ensemble with Marsha Searle

Dances, and their histories from different cultures, are taught in a fun and inviting way, bringing students together in rhythms and songs that build community and connect participants to each other and to their shared American heritage.

SPECIAL VISITORS

Maryland SPCA
Wednesday, July 3

Week Two: July 8-12

YOUNG AUDIENCES ARTIST IN RESIDENCE

FutureMakers

FutureMakers' Pop Up Makerspace transforms libraries into a mobile makerspaces stocked with traditional and cutting-edge tools so students can dream, design, and build big. Led by a team of seasoned, STEAM-driven maker-educators, FutureMakers believes kids need tools, not just toys.

SPECIAL VISITORS

***Aquarium on Wheels* with the National Aquarium**
Tuesday, July 9

Port Discovery Children's Museum
Thursday, July 11

Art with a Heart
Friday, July 12

Week Three: July 15-19

YOUNG AUDIENCES ARTIST IN RESIDENCE

Sarah Tilton
Abstract Painting

SPECIAL VISITORS

Blue Water Baltimore
Monday, July 15

Port Discovery Children's Museum
Thursday, July 18

Irvine Nature Center
Friday, July 19

Week Four: July 22-26

YOUNG AUDIENCES ARTIST IN RESIDENCE

Amanda Pellerin

Students will plan and design artwork out of clay--from creating handmade tile from raw clay to cutting and shaping fired tile--in this visual arts residency.

SPECIAL VISITORS

StarLab with the Maryland Science Center

Monday, July 22

Book Mobile

Wednesday, July 24

Port Discovery Children's Museum

Thursday, July 25

Week Five: July 29-August 2

YOUNG AUDIENCES ARTIST IN RESIDENCE

The Drawing Zoo with Brittany Roger

Students will explore different elements of visual art correlated to a different LIVE visiting animal. To appreciate the animal and learn how it fits with a particular environment, students will be able to closely observe and touch the animal and record their observation through art. These practices push artists to their highest levels of thinking and making.

SPECIAL VISITORS

Y on the Fly with the Y of Central Maryland

Tuesday, July 30

Port Discovery Children's Museum

Thursday, August 1

Culminating Activities for the Family!

Friday, August 2, 1:30-3:00 pm

Come see what students have been learning and creating in this final celebration!
