

Zerust® no-tarnish™

Protect your valuable silver, jewelry and other metals with our patented anti tarnish line. Our safe, effective corrosion inhibitors have been used for decades by the automotive industries.

No Tarnish drawer liners – transforms an ordinary drawer, or any interior enclosure into an environment that protects against tarnish and corrosion for up to 5 years. Cut to fit.

No Tarnish vapor capsule – emits an invisible vapor that forms a corrosion and rust resistant barrier on metal surfaces. Just place the capsule inside any enclosure containing metal objects. The capsule has an estimated life span of one year and protects a 2 sq ft radius.

No Tarnish – silver keeper 3 pack – Lifetime guarantee –The silverkeeper pack will protect your polished sterling and silver plate and other valuables from corrosion and tarnish and keep them shining and lustrous for years. Set includes 9 x 12 zipper bag, 12 x 18 lined 6 compartment holder, and 11 x 14 zipper bag.
