Project Endorsement Form

SV@Home will consider endorsing housing developments located in Santa Clara County that meet specified criteria. To request an endorsement, please submit this form to mitch@siliconvalleyathome.org and provide us with sufficient time to review your request.

Prior to completing this form, please ensure that your project is eligible for endorsement under the criteria listed on SV@Home's website.

Submitted forms will be reviewed by a committee of professionals that will consider the information received and recommend whether SV@Home should endorse your development. No in-person presentations are required. SV@Home staff will get back to you with any questions and a response as to whether we can take a position on your development. Before making this decision, SV@Home may reach out to elected officials, local government staff, or community leaders to discuss your project.
