

Adopt a Bulldog

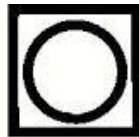

Are you able to offer free use of your washer and dryer to a college student? Would you be willing to include them in a family meal? Inviting a young lady into your home is a great opportunity to build an organic mentoring relationship with a Ferris student. See table in lobby for hosting application or contact mrs.kuhn@outlook.com for more details.

Meal Train

New mom's or those recently home after a surgery or hospitalization are not in a condition to prepare healthy meals for themselves. Providing one meal is one way to bless whole families during a time of recovery. If you want to be added to the volunteer list to be called up once or twice a year, see the sign-up sheet in the lobby after tonight's event. If you know of a mom expecting or others in need, tell **Kathie Richards** in the church office (231) 796-2600 kathierichards@trinityinfo.org

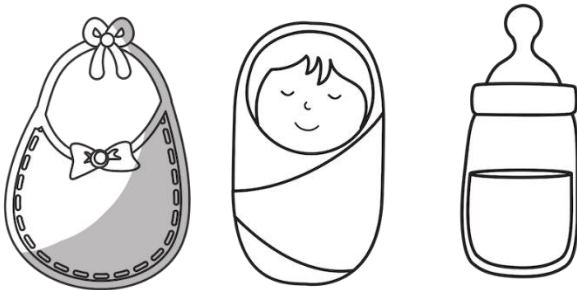

Moms in Prayer

Join or start a group to pray for your child or grandchild's school. If you are not praying for your child, who is? Meet regularly for one hour and lift the children and school staff to the Father in prayer. For more details contact **Brenda Walton** (231) 580-9481 www.momsinprayer.org or see the table in the lobby.

Nursery Volunteers

Volunteers are a huge blessing to mom's with small children who would otherwise not be able to attend a bible study, small group, or be mentored by an older woman. The Women's Ministry has a huge NEED for nursery volunteers with many opportunities of varying days and times to choose from pending your availability. All volunteers will need to apply to be Caring For Kids Approved. Contact **Bethany Cook** (616) 422-3892 for more details.

Care Link

Care Link provides information on needs "IN our communities" for individuals or groups/small groups to Serve Him by serving others. Once apart of Care Link you will be able to view any needs shared and submit any of your own needs. For more information or to sign up contact Pastor **Patrick Shea**

Real Life

Real Life is a group of college students who believe that life should be lived to the fullest! We believe that “real life” is found in knowing The Creator of all things in a deep personal connection. We believe that this real life connection is possible through Jesus Christ.

We meet every week at 7pm in the University Center, room 202, on the campus of FSU. (This is not exclusive to Ferris Students, any college student can join.)

We also have weekly Life Group bible studies, weekend events and retreats. Check our events for the latest upcoming events.
