

Imagine choosing between going to the doctor and paying the rent. Or trying to get ahead in life but you simply can't get a decent job. Sadly, too many North Texans don't have to imagine it. They live it every day. That's why we provide the tools and know-how to help North Texans get and keep better jobs, establish savings and hold on to more of what they earn.

Goal Move **250,000** people out of poverty by 2020.

Progress **250,689** fewer people in poverty than projected.

We set goals and measure progress in the areas of **Education, Income and Health**—the essential components of a thriving community. We invest in the best community programs, identify local problems that aren't being addressed and develop innovative solutions for them. Our focus on income covers three distinct areas:
