

UNITED WAY GIVING SOCIETIES

Members of United Way Giving Societies prove the power of unity to create lasting change. Together with these passionate doers and change-seekers, we're leading the charge to improve education, income and health in our community and the lives of 1 million North Texans each year. Our appreciation cannot be overstated. In short, this work wouldn't be possible without your continued support. We're pleased to honor donors with memberships that recognize both loyalty and leadership giving in our fiscal year, July 1 to June 30.

Each United Way Giving Society provides access to special events, exciting networking activities and rewarding volunteer opportunities.
