

United Way *Builders Society*

Builders Society members provide critical support for United Way's work to improve the lives of North Texans in need. As trailblazers in business and philanthropy, Builders Society members lead by example. They demonstrate a spirit of caring for our community that inspires others to think bigger and do more. When you join the Builders Society, your passion and generosity will help families and individuals break the cycles of school dropouts, poverty and poor health. Builders Society members help those who want to do good, do great.

The Builders Society is an exclusive United Way of Metropolitan Dallas giving society for those who make a gift of at least \$2,500* in a fiscal year to United Way. In addition to making a positive impact on our community, members have a variety of opportunities to network with other dynamic United Way donors and community leaders, and to work on impactful volunteer projects.

Builders Society members enjoy:

- Invitations to special United Way member events; including a Builders Society event and Second Tuesday luncheon.
- Opportunities to expand personal and professional networks.
- Organized volunteer events throughout the year.
- Frequent updates and communications from United Way, including the Unite newsletter, featuring highlights from United Way's impact work and donor events.
- Recognition in the annual Leaders in Giving publication.

With your help, we're strengthening education, income and health—the building blocks of opportunity that every person and community needs to thrive. Together, we'll promote learning, instill the habits of healthy, productive lives and move 250,000 out of poverty by 2020.

*Fiscal year runs July 1 - June 30
