

United Way *Young Leaders Society*

United Way's Young Leaders Society harnesses the power of those 35 and younger to help North Texans in need. Members also connect to their communities and each other through special events and volunteer projects.

If you are looking to network, grow as a leader, and make a personal commitment to the community, join the Young Leaders Society. It's an exclusive United Way of Metropolitan Dallas giving society open to those 35 and younger who make a gift of at least \$250* in a fiscal year to United Way. Young Leaders Society members help those want to do good, do great.

Young Leaders Society members enjoy:

- Invitations to special United Way events.
- Rewarding volunteer opportunities.
- Opportunities to expand personal and professional networks.
- Frequent updates and communications from United Way, including the Unite newsletter, featuring highlights from United Way's impact work and donor events.

With your help, we're strengthening education, income and health—the building blocks of opportunity that every person and community needs to thrive. Together, we'll promote learning, instill the habits of healthy, productive lives and move 250,000 out of poverty by 2020.

*Fiscal year runs July 1 - June 30
