

WHEN YOU GIVE UNITED, YOU INVEST IN A BETTER TOMORROW.

Your contribution today is an investment in a brighter future. Here are some of the many ways your dollars can help ensure that all North Texans, regardless of race or ZIP code, have the opportunity and access to achieve their full potential.

FIRST FIVE

A **\$100 investment** will help provide training to an early childhood professional to improve child-care center quality—and directly aids in making a young scholar **4x more likely to graduate high school**.

ONCE UPON A MONTH

A **\$36 investment** provides a child with 12 books a year, preparing them for school and early reading. Students that read on grade level by third grade are **5x more likely to graduate ready for success in college or career**.

NORTH TEXAS SUMMER & SUPPER COUNCIL

Only 14% of eligible Texas children access out-of-school-time meals. A **\$50 investment** enables meal sponsors to provide program enrichment, quality improvement, and overall enhancements to increase impact and expand reach.

H.O.P.E.S.

Our H.O.P.E.S. and Texas Home Visiting programs focus on building safe, healthy homes for children to thrive.

For every \$1 invested in these programs, there's a \$14 return.

EDUCATION
Students prepared for success

DOLLARS FOR COLLEGE

A **\$50 investment** gets a child set up with a college savings account that can grow to nearly \$500 by high school graduation. Children with a college savings account are **3x more likely to attend college and 4x more likely to graduate**.

HEALTH

Long, productive lives

INCOME

Financial stability

PATHWAYS TO WORK

A **\$250 investment** in career training materials helps a person get certified for a job that earns **\$6,300 more per year**.

Opportunity for all North Texans

We've collaborated with a broad spectrum of community partners to develop **Aspire United 2030**, a set of 10-year goals to drive transformative change and advance racial equity in the areas of education, income and health. When you choose United Way, you invest in a future where all North Texas students graduate high school prepared for success in college or career, all North Texas families are financially stable, and All North Texans live long, healthy lives.
