The mighty, mighty Women of Tocqueville create a lasting impact here in our community through their advocacy, volunteerism, and the money raised to put opportunity in the hands of all North Texans regardless of race or zip code.

Members volunteer as youth mentors, meet with Texas legislators about improving childcare standards, travel to the Texas Capitol and Washington, D.C. to advocate on Capitol Hill and much more.

Advocacy
Since 2008, half of all advocates that have met with elected officials at the U.S. or Texas Capitol have been members of the Women of Tocqueville.

Volunteer Engagement
In 2019-2020 this dynamic group of women gave of their time – 462 volunteer hours – advancing education and health outcomes with a focus on kindergarten readiness, mentoring for college prep, strengthening 3rd grade reading level success, and supporting the mental health and wellness of seniors in assisted living facilities during COVID-19.

Securing the Future
In 2017, Women of Tocqueville members established the Women of Tocqueville Fund for Women and Children. This fund, within the United Way Foundation of Metropolitan Dallas, provides critical assistance for North Texas women and children in perpetuity.

The Women of Tocqueville Fund is continuing their efforts to raise resources to provide immediate and long-term impact for women and children throughout our region and invite members to join us.
