

WHEN YOU GIVE UNITED, YOU INVEST IN A BETTER TOMORROW.

United Way is leading a movement to improve access to education, income and health—the building blocks of opportunity. Here are some of the many ways your dollars can help ensure that all North Texans have the opportunity to thrive.

FIRST FIVE

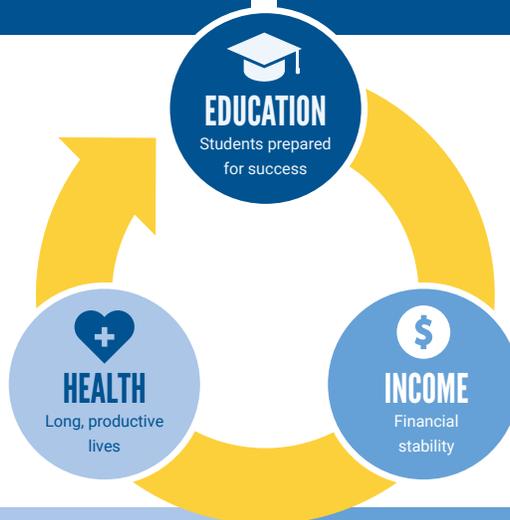

A **\$100 investment** will help provide training to an early childhood professional to improve child-care center quality—and helps make young scholars **4x more likely to graduate high school**.

ONCE UPON A MONTH

A **\$36 investment** provides a child with 12 books a year, preparing them for school and early reading. Students who read on grade level by 3rd grade are **5x more likely to graduate ready for success in college or career**.

NORTH TEXAS SUMMER & SUPPER COUNCIL

During the summer, **nearly 9 out of 10 Dallas students don't have access to regular nutritious meals**. A **\$50 investment** enables summer meal sponsors to increase impact and feed more students.

DOLLARS FOR COLLEGE

A **\$50 investment** funds a child's college savings account, which can grow to nearly \$500 by high school graduation. Children with a college savings account are **3x more likely to attend college** and **4x more likely to graduate**.

H.O.P.E.S.

Our H.O.P.E.S. and Texas Home Visiting programs focus on building safe, healthy homes for children to thrive. Every \$1 invested in these programs creates a **\$14 return**.

PATHWAYS TO WORK

A **\$250 investment** in career training materials helps a person get certified for a job that earns **\$6,300 more per year**.

Opportunity for all North Texans

Thank you for being part of the change with United Way. When we LIVE UNITED in North Texas, more students succeed, more of our neighbors achieve financial stability and more families lead healthy, productive lives. **Learn more at unitedwaydallas.org/aspire2030**.
