

## RUTH SHARP ALTSHULER TOCQUEVILLE SOCIETY

The Ruth Sharp Altshuler Tocqueville Society is a group of change-makers with an unsurpassed dedication to creating lasting change in our community. Named to honor Ruth Sharp Altshuler, a longtime Dallas philanthropist, the Tocqueville Society is comprised of civic and business leaders who are passionate about United Way's work to improve education, income and health—the building blocks of opportunity—for all North Texans. Supporters at the Tocqueville level have a profound impact on the local community, empowering United Way to help more students graduate prepared for success in college or career, more local families become financially stable and more neighbors live healthy, fulfilling lives.
