

EMERGING LEADERS

Emerging Leaders is a passionate group of change-seekers who work collectively to create opportunity for all North Texans. Throughout the year, members enjoy a variety of opportunities to volunteer, serve the community and connect with each other through special events.

As a member, you'll have an opportunity to utilize your unique abilities and passions to create lasting change in the areas of education, income and health—the building blocks of opportunity—in our community. You'll be invited to participate in a variety of impactful and meaningful experiences that empower you to be the change for the next generation—while developing personally and professionally along the way.

Emerging Leaders is open to North Texans age 35 and younger who make a gift of at least \$250 in a fiscal year (July 1 to June 30).
