

BE A PART OF THE IMPACT IN 2021-2022

In 2020-2021 the mighty, mighty Women of Tocqueville made a lasting impact right here in our community through advocacy, volunteerism, and fundraising to create opportunity for all North Texans to thrive.

Advocacy

Women of Tocqueville have championed advocacy since the introduction of United Way's *Give. Advocate. Volunteer.* call to action in 2008. Since then, **half of all advocates** that have met with elected officials at the U.S. or Texas Capitol **have been members of the Women of Tocqueville.**

Volunteer Engagement

Women of Tocqueville have contributed **648 volunteer hours** to advance education, income and health access and outcomes, with a focus on kindergarten readiness, mentoring for college prep, strengthening 3rd grade reading level success, and supporting the mental health and wellness of expectant mothers.
