

MAKE A LASTING IMPACT AS A WOMEN OF TOCQUEVILLE MEMBER

Give. Advocate. Volunteer.

The mighty, mighty Women of Tocqueville create a lasting impact right here in our community through advocacy, volunteerism, and fundraising to create opportunity for all North Texans to thrive.

Members volunteer as youth mentors, meet with Texas legislators about improving childcare standards, travel to the Texas Capitol and Washington, D.C. to advocate on Capitol Hill and much more.

Advocacy

Since 2008, half of all advocates that have met with elected officials at the U.S. or Texas Capitol have been members of the Women of Tocqueville.

Volunteer Engagement

In 2020-2021 this dynamic group of women gave of their time – 648 volunteer hours – advancing education and health access and outcomes with a focus on kindergarten readiness, mentoring for college prep, strengthening 3rd grade reading level success, and supporting the mental health and wellness of expectant mothers.

Securing the Future

In 2017, the Women of Tocqueville launched an endowment fund at the United Way Foundation of Metropolitan Dallas to respond to the needs of North Texas women and children in perpetuity. The **Women of Tocqueville Fund for Women and Children** has raised over \$13M to date to provide targeted financial and skill-based investments in the areas of education, income, and health – the building blocks of opportunity – for North Texas women and children.

In 2020, The Women of Tocqueville Fund established the Women of Tocqueville Fund Advisory Council to provide strategic direction, leadership, and oversight for the Women of Tocqueville Fund to achieve its Mission and Vision. The Advisory Council convened monthly during the course of the year, to research and consider a first investment of the Fund.

— WHY THEY SUPPORT WOMEN OF TOCQUEVILLE —

Mission

To provide targeted financial and skill-based investments in the areas of education, income and health for North Texas women and children

Vision

An equitable economic environment in which all women and children can achieve financial security

In September 2021, The United Way of Metropolitan Dallas Women of Tocqueville Fund Advisory Council announced that LiftFund Women’s Business Center, dedicated to supporting diverse women entrepreneurs, will receive its first investment from the Women of Tocqueville Fund for Women and Children. Comerica Bank matched United Way’s \$50,000 disbursement, bringing the total investment to \$100,000. These funds will be used to provide microloans to female entrepreneurs in the city’s southern sector, so they can successfully grow their small businesses.
